

September 2025

The early days of the school year are marked by traditions that celebrate the arrival of fall: football games, homecoming events, and pumpkin-themed activities. It's a time to enjoy the beauty of the season and the camaraderie of the community. The start of the school year coupled with the arrival of fall is a chance to embrace growth, curiosity, and new adventures. With autumn around the corner, the transition from carefree summer days to structured routines can be both challenging and invigorating. The changing season offers a perfect opportunity to set new goals, develop healthy habits, and reconnect with friends. The fall brings not only cooler weather and colorful leaves but also a renewed focus on learning and personal growth.

As the days grow shorter and the leaves begin to change, the start of the new school year reminds us that change is both inevitable and welcome. With fall on the horizon, now is the time to look forward to learning, friendship, and all the experiences the coming months will bring.

Please don't hesitate to reach out if I can be of service or if you have suggestions for how we can better serve the AA community of Northern Colorado. You can reach me via email, or by using the form on the website, or by calling the office at 970-224-3552.

Step 9

Made direct amends to such people wherever possible, except when to do so would injure them or others.

Tradition 9

A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

ALCOHOLICS ANONYMOUS

12-STEP INTENSIVE WEEKEND WORKSHOP

"Our chief responsibility to the newcomer is an adequate presentation of the program." Bill W., 1942
October 10-12, 2025

*Johnstown Senior Center 101 Charlotte St,
Johnstown, CO 80534*

What: We use only the Big Book (the basic text of Alcoholics Anonymous). We start together, we stay together, and we complete all twelve steps, together. This is a safe place for women and men to do the work together.

How this started: Years ago, it was decided to condense the six-month AA workshop into this Intensive weekend, because several new members said they couldn't stay sober through the six-month process. They needed help now!

Who: Alcoholics and those who have a desire to not drink. The workshop is open, not closed.

Why: The crux of the problem in AA today is that being sober has replaced being recovered. To be recovered from alcoholism (recovered means we no longer suffer from the symptoms of the disease). We do our best to replicate what the AA founders did, with the same sense of urgency.

- **Workshop is 5 p.m. - 9 p.m. Friday and 9 a.m. - 6 p.m. Saturday - Sunday**
- **Coffee and water will be provided**
- **Worksheets will be provided for step work**

*When anyone, anywhere,
reaches out for help,
I want the hand of AA
always to be there.
And for that: I am responsible.*

Does your group need an Intergroup Representative?

We service over 75 groups in Northern Colorado. Talk to your homegroup in your town. Be an IGR, and help to continue to make Central Office thrive and fulfill its primary purpose for the Northern Colorado area. Wondering what that is? The purpose of NCIG / Central Office is to support meeting groups in the area and to assist in helping and carrying the message to the next alcoholic by receiving, distributing & following up on 12 step calls, answering inquiries about A.A., and cooperating with Area public information committees. Central Office also maintains information about Northern Colorado meetings and events. We provide 24-hour phone service, a centralized website and office, newcomer packets, workshops, a newsletter. We also order, sell & distribute A.A. literature and more.

For More info about IGRs you can download the Packet [HERE](#)

We're Grateful For All Your Group Donations!

Thank you to all of the groups who donated to help keep the Central Office going so that we can keep serving all of you and continue to be here when a newcomer reaches out.

We're Grateful For You, Too!

Thank you to all of our Faithful Fivers – we appreciate all of you more than we can say. We'd love to recognize you all individually here but you know... that darn anonymity!

So, we'll just say a big giant, THANK YOU to each and every one of you. Please know we appreciate you!
