

June 2026

As the school year winds down, there's this familiar mix of excitement and reflection in the air. Hallways that once buzzed with deadlines, projects, and early-morning yawns start to feel lighter, almost like they're exhaling after months of hard work. Students count down the final days, teachers wrap up lessons, and everyone feels that subtle shift toward something freer. It's a moment where you can look back at everything you've learned academically and personally and feel proud of how far you've come.

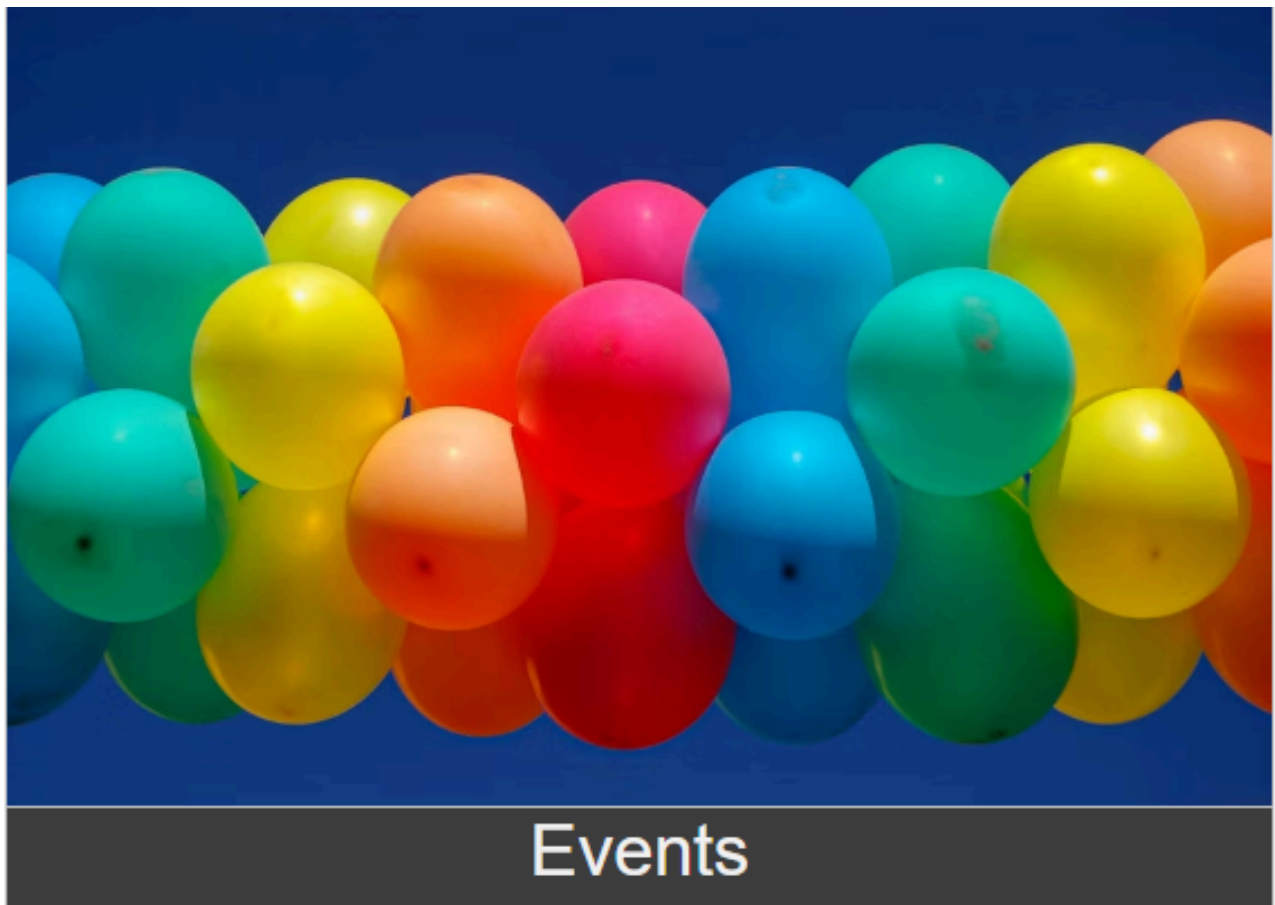

Then summer steps in like a bright, warm invitation. Suddenly the world feels bigger, days stretch longer, and possibilities multiply. It's all sunshine, ice cream, flip-flops, and endless possibilities.

Days at the pool, backyard barbecues, late-night laughter, road trips, and spontaneous adventures become the new routine. Summer is the season where fun takes the lead and every day feels like a chance to do something unforgettable. Summer is a chance to breathe, to play, to explore, and to rediscover what makes you feel alive. It's the season of fun, freedom, and memories that last long after the sun sets on August. It's freedom wrapped in warm weather and good vibes.

Meeting of the Month

Every month I would like to highlight a meeting that could use OUR support, whether it be a new meeting just getting started or an older meeting struggling to stay alive. It may even be a meeting that you love and just want to share with others.

This month I would like to recognize the Sisters In Sobriety group. It's a closed Women's meeting, that is wheelchair accesible. You can find more info [HERE](#).

If you would like to nominate a meeting, you can [email](#) me. Please include any helpful info about the meeting.

Does your group need an Intergroup Representative?

We service over 75 groups in Northern Colorado. Talk to your homegroup in your town. Be an IGR, and help to continue to make Central Office thrive and fulfill its primary purpose for the Northern Colorado area.

Wondering what that is? The purpose of NCIG / Central Office is to support meeting groups in the area and to assist in helping and carrying the message to the next alcoholic by receiving, distributing & following up on 12 step calls, answering inquiries about A.A., and cooperating with Area public information committees.

Central Office also maintains information about Northern Colorado meetings and events. We provide 24-hour phone service, a centralized website and office, newcomer packets, workshops, a newsletter. We also order, sell & distribute A.A. literature and more.

For More info about IGRs you can download the Packet
